```
graph BT; A["duin::ECSCOMPONENT::Position2D"] -.->|value| B["duin::Vector2"]
```

The diagram illustrates a data flow or dependency. At the bottom, a grey rectangular box contains the text "duin::ECSCOMPONENT::Position2D". A dashed purple line with an upward-pointing arrowhead originates from this box and points towards a white rectangular box at the top. The white box contains the text "duin::Vector2". To the right of the dashed line, the word "value" is written in a light grey font, indicating the nature of the data being passed.
